
RESEARCH ACTIVITY GUIDELINES

01 JUNE – 30 SEPTEMBER 2019

CONTENT

Research on the problem of low voting turnout, low active democratic participation of citizens in each of the participating countries: North Macedonia, Italy, Germany, Malta and Albania.

Part of the research should be a survey of minimum 300 people on the given topic and the data collected will serve as one the conclusions for the researches.

Another part of the research should be providing statistics and present trends on the voting turnout in every election that happened in the past 5 years in each of the countries and for the EU parliament elections (only for EU countries)

- Timeframe: 4 months (01.06 – 30.09.2019);
- Length: 20-30 pages total (including graphs and tables);
- Has to be submitted to SFERA MACEDONIA (info@sferamacedonia.org) no later than 30.09.2019 in an electronic form (WORD document) in English.

EXPECTED RESULTS

With the research organization will straighten their capacities in:

- More knowledge in organizing survey
- Election statistics in their country on turnouts
- EU Parliament elections and procedures
- Citizens reaction on election and ways of rejection
- Voting system in their countries
